7:05 pm **Public Hearing:** Spy Pond Edge & Erosion Control Feasibility Project

Funded by the Community Preservation Act (CPA), the Spy Pond Edge Protection and Erosion Feasibility Control Study is the first phase of a planned project to improve the ecological structure and function of Spy Pond's shoreline. The two purposes of this public meeting are to present the results of the Feasibility Study (and associated survey) of selected Town-owned shoreline along the edge of Spy Pond and to solicit public input on existing conditions along the shore.
